Massachusetts Department of Housing and Community
 Development Resident Notice and Consent Form

Pursuant to state law, Chapter 334 of the Acts of 2006, the Department of Housing and Community Development (DHCD) must gather, compile, and report data in order to provide current, accurate, and detailed information on the number, location, and residents of assisted housing units (including privately owned housing with state subsidy or federal subsidy administered by the state). DHCD will also evaluate the data to ensure that housing choice and inclusive patterns of housing are available across the Commonwealth.

In response to the above cited law and the regulations at 760 CMR 61.00, DHCD and the quasi-public agencies Massachusetts Housing Partnership, MassHousing, and MassDevelopment are requiring development sponsors/owners or their delegates to collect and report certain resident household data to a web-based reporting system, including income level and the information requested below. DHCD will annually report to the state legislature on its data collection efforts. DHCD may also share information with the quasi-public agencies and provide reports to other interested parties in a manner consistent with privacy laws, including Massachusetts General Laws Chapter 66A. Massachusetts General Laws Chapter 66A also provides for the rights of data subjects: this includes your right to inspect and copy your personal data and to object to the collection, maintenance, dissemination, use, accuracy, completeness, or relevance of the personal data or type of information held about you.
